

PERFORMING ATTITUDE TECHNICAL PROFILE

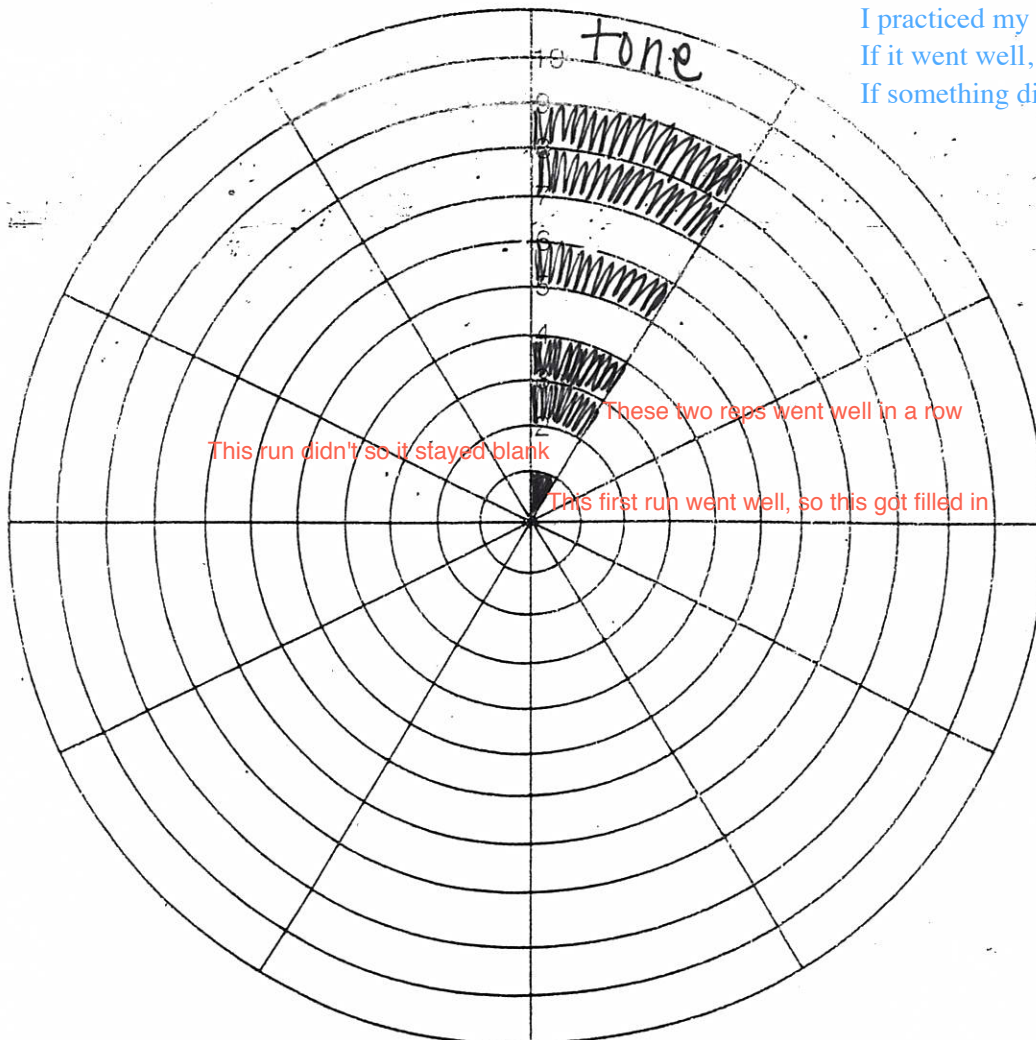

Name _____

Date _____

Directions: Label each section of the profile with the technical skills that are important for your dance performance. Then indicate how you currently perceive yourself on the 1 to 10 scale for each factor by drawing a line at that level and shading in the area below it. A score below a 7 indicates an area in need of further development.

I practiced my cut 10 times focused on TONE
If it went well, I filled it in.
If something didn't go well, it was left blank
